WE ARE FAMILY

OCTOBER - DECEMBER

2026

GREETINGS FROM THE COMMANDER

My fellow Legionnaires, Auxiliary and Sons of the American Legion, thank you for a very active Summer. We held our second Gun Bash in August and raised \$21,000. We held our annual charity golf tournament a few weeks ago and it was a great success. Thank you to Billy Pipe and his team of volunteers for both events. Looking at the calendar, we are going to have a fun filled Fall. We started off this year's dinners with a steak night and sold out. The Sons followed that up with selling 120 steaks. As you look through this newsletter you will see that we have a very busy schedule. We are working hard to provide opportunities to serve and be served. Let's start with helping at Friday night dinners, steak nights, meals for veterans from Charlotte Hall and Sunday brunch. This year the Fall Festival will be on October 17th. We will have all the attractions and events as you have come to enjoy as well as a few new attractions. We have also added pizza night on the second Tuesday of the month. This event will be hosted by the many small groups that our Post family supports. This becomes a fund-raising event for those groups as they make and sell the pizzas and keep the proceeds. Please come to support these organizations. We will also be offering more small events in the dining room/lounge. The Auxiliary will host the Christmas Bazaar and a children's Christmas party. They are also considering another sea glass craft opportunity to make a Christmas tree or wreath; stand by for details. On November 11th, will have a Veterans Day ceremony at the Veteran's Park in Chesapeake Beach beginning at 1:00PM followed by an open house at the Post. We are planning to have the annual Thanksgiving dinner at the Post; this event is free to active duty and their families and available to members at a very reasonable price. The Sons of the American Legion are hosting a quarterly country dance. I encourage all of our member members to come to these events. They are great opportunities to come together and celebrate the Fall and Holiday Season. Keep your eye out for more details.

I want to encourage you to attend not just the events above, but come to your respective general membership meetings.

We still need to identify some individuals with skills, desire and time to help with the Post day-to-day functions. If you are interested in volunteering, please contact me or any member of the Executive Committee. Our contact information is on the back of this newsletter. We look forward hearing from you and seeing you at the Post. As we close 2026, I want to tell you that you can be justifiably proud of the positive impact the Stallings-Williams American Legion Post 206 has made in our Community, State and Nation. May God bless you and your families and may God bless America.

Respectfully, Scott Deacon

Greetings from the Adjutant

I hope everyone had a great summer and are looking forward to another momentous year for our Post. The Post ended with 1144 members for the administrative year 2025- 2026 which was great, but you know everything goes up. The new membership year started for the administrative year 2026-2027 at the end of Department Convention and our goal is 1156, which is 12 more than last year. So far, we have reached our goal, which is set by Department, every year. Right now, we are at 54.758% and our first goal of 55% is due by October 14th. We have paid for 633 members to Department, and I just processed 13 more. We should be at 55% or better before the Newsletter goes to press. The Post needs your help though, we are not having a problem signing up new members because of the 13 members I processed this week, 10 were new members. We need to get the members already on the roster to renew. Retention of those who are already members is just as important as new members and if you paid online and have not received your cards, please let me know with the date you paid, your name and membership number. I will check the online payments list and get your card to you. In January, we will turn off the door tokens for those who have not paid their membership dues.

Starting on October the 8th I will be at the Post from 12:00 till around 4:00 for anyone who would like to come in and pay their membership and get their cards. I do apologize. I was supposed to have started this a lot earlier but my schedule would not allow it. Please, if I can be of aid, don't hesitate to contact me at gmagolf@gmail.com or 443-871-0477. If you call, I will not answer if I don't recognize the number so please leave me your phone number and a short message to tell me what this call is about and I will get back to you as soon as I can. Let's work together to continue the work of the American Legion.

Yours in Legion Service, Patricia McCoy, Adjutant

NOTICE—YOGA CLASSES

Our free gentle Yoga stretch classes have resumed and are held on Tuesdays at 1 pm in the upper hall. Join Laura Glasgow, CMSgt, USAF (Ret), for 30 - 45 minutes of easy Yoga stretching, improve your flexibility, mobility, balance and overall health!!

OPERATION SHOEBOX

The Auxiliary continues to send care packages to deployed military personnel. Know a deployed servicemember serving overseas? Drop off their name, military address, when they are expected to return to the States and we will add them to our list so they can begin to receive some of these goodies for them and their fellow servicemembers.

Greetings from the S.A.L. Commander

Winter is approaching and we are off to the start of another great season for the Sons of the American Legion. We have some great events and raffles coming forward and we need everyone to spread the word, whether that is word of mouth, social media or recruiting, all are needed for the best possible success of the Legion overall.

We have another gun raffle coming up shortly, if you see the gun in the case in the Legion bar area, be sure to buy your tickets for a chance to win! Saturday, October 24th at 7 - 11pm we have the S.A.L. Country Night. The cover charge is \$20 and that includes "The Boys and Me" band, FREE draft beer with admission and we will have hot dogs and pulled pork for sale. This event is open to the public so spread the word!

We have a ton of great meals coming up, check out the calendar in the back of this newsletter. Be sure to attend, volunteer and enjoy everything this Legion has to offer. We all make this Legion the best we can, do your best to help make it better!

The annual dues renewal notices have been mailed and are slowly trickling in. We are behind in our renewals in comparison to last year, so ensure your \$35 dues are paid. If you are sitting next to a S.A.L member at the Legion, ask if they have renewed - just in case they did not see the notice. Membership dues are a key pillar to the great charitable donations we provide. Our S.A.L. meeting is the second Tuesday of every month. Be sure to attend to stay abreast of events and the decision-making process for future happenings. The meeting is held upstairs in the banquet hall. If you don't attend, you have no right to complain about the future path.

Feel free to reach out with any comments, questions or suggestions.

Humbly at your service,

Jay Elliott, Commander, 609-680-3114 (cell), jay_elliott@comcast.net

Membership:

Fall is upon us and the Dues Renewal notices were mailed in August. Notices are coming in slowly in comparison to years past. Please be prompt with your dues renewal. Last year at this time we were at approximately 40% renewed, this year less than 30%. If your address has changed since last year, send your new address and contact information with your dues so the My Legion system can be updated.

We achieved 4 Star again last year for meeting and exceeding our membership goals. Ensure you spread the word to colleagues, friends and family that are eligible. The bartenders have applications; complete the application, attach a copy of the DD214 for your Father, Step-father, grandfather, etc. and include the \$35 annual dues. Applications will be reviewed prior to issuing a Sons of the American Legion Membership card. Please ensure the application is filled out completely and accurately.

Respectfully,
Victor Lamb, 667-301-0590, SALPost206@gmail.com

Greetings from the Auxiliary President

I feel privileged to serve as the President of the Unit 206 Auxiliary but Robin left some big shoes to fill. At the Convention in Ocean City in July, our unit was presented with the highest award in the Department of Maryland – the Bessie L. Mercer Cup (see photo on page 12). My hope is to keep doing the good things all the presidents before me have started.

The American Legion Auxiliary is set up to serve four major pillars which are the same for the American Legion and the Sons of the American Legion. Those four pillars are Veterans Affairs and Rehabilitation (VA&R), National Security, Americanism, and Children and Youth. VA&R focuses on advocating for our veterans and improving their quality of life. Our unit actively supports Charlotte Hall with lunches once a month plus breakfast whenever they can make it. They will have a car show on October 3rd and we will take as many volunteers as we can get to go take the veterans out to see the cars and enjoy the food court. We also support the DC Veterans Affairs with breakfast and monthly visits. The Maryland Center for Veterans Education and Training (MCVET) is a group that takes homeless veterans, gives them a place to live and gives them access to job training. We support them with breakfast and other programs to help with morale. We also stay in contact with three Gold Star mothers and one Gold Star wife to ensure they know they are not forgotten. Our Americanism program includes volunteering with the American Legion to put flags on graves for Memorial Day, putting wreaths on graves for Wreaths Across America. We have an Americanism essay contest for students in grades 3-12 with a category for special needs students. That program will ramp up in November and conclude with a celebration for the winners in March. We also pay for at least 6 young women to go to Girls State. Under National Security, we support our active-duty families with various events and we provide breakfast food to our local fire department. We support multiple programs for children and youth to include supporting the Fall Festival, children's parties for Christmas and Easter, and various activities for Month of the Military Child.

We need volunteers to help with all these activities, plus Friday night dinners and breakfast. We will have sign-up sheets at each meeting so you can sign up to help where ever you are available.

The annual dues notices have been sent out. Please get your renewals in as soon as possible so we can make our goals this year. If you did not get your notice in the mail, you can pay your dues in person, but please provide your address and your member number so we can make sure we have the correct address.

Yours in service, Betsy Deacon

Americanism:

The American Legion Auxiliary (ALA) Americanism Essay Contest invites students in grades 3 through 12 to write about patriotism and community values. The theme for this year's essay is "How can you be a beacon of light for our veterans?" The essays are due to our Unit by 15 January 2027. The classes are: Class I – Grades 3 & 4; Class II – Grades 5 & 6; Class III – Grades 7 & 8; Class IV – Grades 9 & 10; Class V – Grades 11 & 12; Class VI – Students with Special Needs. The essay must conform to the word counts which are dependent on the Class level. AI is not allowed and the essays will be checked for this. Information sheets will be available at the Post.

Greetings from the Legion Riders

Post 206 Riders: From Seven Members and an Idea to a Growing Brotherhood

What began with seven people and an idea has quickly grown into a unified group of veterans and supporters with a shared passion for motorcycles, public service and camaraderie.

The effort to establish the American Legion Riders at Stallings-Williams Post 206 began around January or February 2026, when a motion was introduced to create a Riders program during the Posts' monthly meeting. Seven prospective members initially stepped forward, beginning months of work developing bylaws, establishing dues, discussing patches and proper placement, and completing the chartering process.

Even before the group was formally sworn in, its future members were already riding together. In June, they departed American Legion Post 206 for VFW Post 9376 in Clinton, Maryland, to participate in its Veterans Motorcycle Charity Ride & Community Day. There, they joined a large contingent of patriotic motorcycle riders for a police-escorted ride to Cheltenham Veterans Cemetery and a wreath-laying ceremony honoring those who served and those who made the ultimate sacrifice.

By July, the American Legion Post 206 Riders charter had been approved through the state and national levels. On July 25, National American Legion Riders Director Dave Heredia officially swore in the new group—by then numbering 24 Riders, three passengers and one supporter.

Since then, the Riders have logged more than 1,000 miles, from fellowship rides—including a memorable run to Ocean City—to charitable events supporting fellow veterans. The group participated in a Keepers Maryland MC fundraiser that raised more than \$3,500 for veterans at Charlotte Hall, helping support improvements to their facilities and quality of life. The Riders also held their first Pizza Night, raising more than \$300 for the fledgling riders group program.

Their growing presence has also begun opening doors. During a veterans breakfast at Bulrushes Cafe, Maryland Department of Veterans and Military Families Secretary Ed Rothstein met Riders Director Felix Figueroa and discussed opportunities for the Riders to support Maryland's veteran community in the future, including potentially assisting with fallen-veteran escorts.

Perhaps the greatest accomplishment of the inaugural season, however, cannot be measured in miles or dollars. A collection of people who largely began as strangers has become a team built around fellowship, remembrance and service.

With fall riding weather arriving, the Riders intend to make the most of the remaining season while continuing recruitment, fundraising and planning for the year ahead.

For ALR Post 206 members whose motorcycles have been sitting a little too long, the Riders Director offers a fitting invitation: "Knock the dust off your old bike, fill up that tank and saddle up. Tomorrow's not guaranteed today for anyone, so you might as well ride!"

**Respectfully,
Felix A. Figueroa**

Road Captain T.J. "Novel" Hubbert

Bring on the fall riding season. The Nam Knights of America MC, Old Line Chapter is ready to break out our hoodies, gloves, and light jackets so we can witness the change of seasons from behind our handlebars.

We have however, already logged some serious miles this summer, including our annual Nam Knight Darrell "Stone-Cold" Canter Annual Iron Butt run back in August. This year we headed for the Nam Knights Big Dawg chapter located in western Georgia. We spent 10 hours in the saddle on Friday, visited a local War Memorial on Saturday, and rode the 10 hours back home on Sunday. Yes, our butts were sore, along with our arms, legs, and backs, but the purpose for this annual ride is to honor all our Nam Knight Brothers who can no longer ride with us. There is nothing like rolling down the road with 10 or 12 of your club Brothers and spending the weekend honoring so many that dedicated their lives to serving our country, our communities, and as members of this great club.

Our Nam Knight family is growing too. By the time this newsletter comes out our Brother Ryan "Farva" Morris and his wife Myra should be new parents. As I write this article Myra is in the hospital in labor. Right behind them is our Brother Kevin "Scripts" Barnes and his wife Joanne who are expecting their new baby soon too. We wish both families all the best as they prepare for this joyful new chapter in their lives.

If you want to learn more about the Nam Knights MC, please visit www.namknights.org or www.namknights-md.org. As always, we appreciate being a part of the Post 206 and we stand ready to assist however possible.

HALL RENTALS

The upstairs hall of our Post 206 home is available for weddings, parties, or other events at very reasonable prices. Please help us get out the word about this unique facility. Contact our Hall Rental Coordinator, Penny VanDyke (301-873-2323) or by e-mail- penny292psc@aol.com - or call the Post at 410-257-9878

FROM THE EDITOR'S DESK Help Wanted!!!!

As most of you know, I am the Finance Officer for the Post and the President of the Auxiliary, along with a couple of other volunteer positions in the community. I took the position as the editor of the newsletter when Fred stepped down. Unfortunately, Microsoft Publisher is no longer available so I opted to use Canva. My daughter helped me with the setup in Canva - so a huge shoutout to her! As stated above, I have several other volunteer positions so I am desperately looking for volunteers who have experience with Canva to help with the publication of our quarterly newsletter. If you are interested in this opportunity, please contact me as soon as possible.

Supporting Our Community and Veterans

Your active support and patronage for our many programs and events at Post 206 help us contribute to various youth, charitable and community service organizations throughout the year. The next time you attend a breakfast or dinner, or show up for a country dance, or help out with our many functions, know that you have made our generosity possible. Below are selected examples of the donations made by the Post 206 family from July to September 2026.

- Legion donated \$2000 to Calvert County Sheriff's Office for Camp Junior Sheriff
 - Legion donated \$2,000 to State Police for CAMP COPS
 - Legion donated \$1,000 to Chesapeake Garden Club for a Blue Star Memorial in the garden
 - Legion donated \$1,500 to Calvert's American Legion baseball for fall ball fees
 - Legion donated \$5,000 to Legacy Twirlers to support their championship team
 - Legion donated \$5,000 to the Chesapeake Beach Railway Museum to support their programs
 - Legion donated \$4,000 to the Sea Cadets to support their fall programs
 - Legion and Auxiliary donated \$200 to Southern High School football to support a member
 - Legion donated \$840 to pay transportation for MCVET to come to breakfast from Baltimore
 - Legion paid \$3,500 in scholarship payments
 - Auxiliary paid \$800 for a catered lunch for Charlotte Hall vets in their dining room
 - Auxiliary paid \$60 to Barstow Elementary Popsicles with the Principal to pay for water
 - Auxiliary paid \$300 to sponsor holes at the American Legion Golf Tournament
 - Auxiliary purchased a portable printer to support family events at the Post
 - Auxiliary made a \$50 memorial donation
 - Auxiliary donated \$2580 to the Legion for Fall Festival
 - Auxiliary made donations of \$665 to Department of Maryland programs
 - Auxiliary made donations of \$15 to make sandwiches for the homeless
 - Auxiliary bought gifts for Gold Star mother for Gold Star Mother's Day
 - S.A.L donated \$1,000 to Legion for Fall Festival

Greetings Fellow Legionnaires, my name is Luciana "Lu" Burroughs and I am your newly appointed "Be the One" Advocate for Post 206. I am an US Navy combat veteran and PUFL of Post 206 with 23 years of continuous membership. I also, this past August, became a PUFL with our newly chartered VFW Post 12248. "Be the One" is a very important and much needed program for all Veterans and I am excited to ensure we take care of our own. My goal is for Post 206 to be the beacon other Posts emulate. I am working on some big things and in the next few months will be looking for volunteers to help me execute this new plan of action. If you have any questions about the program or being a potential volunteer, please email me at betheone@md-post206.org.

Maryland Veterans

Article written by Fred Bumgarner, Post Historian

WORLD WAR II—MARYLAND VETERANS

An interest in history and writing has resulted in my participation in an effort to compose brief stories and obituaries of all Maryland veterans who died in service during World War II. The effort is managed/sponsored by the “Stories Behind the Stars” and “Fold3” organizations. The idea is to link the stories to Ancestry.com family histories and gravestones or memorial tablets of these veterans so that the stories can be accessed by smart phone while viewing the grave markers or tablets. Below is a story of one of these Maryland veterans.

FREDERICK RUDOLPH MERTEN

Frederick was born on January 19, 1895, to Hugo A. Merten and Lena Merten. The 1910 Federal Census indicates the family living in Baltimore, Maryland. The father worked as an engraver in a metal working firm. Frederick had two sisters – Gertrude and Anna, and a brother Walter.

A ship muster roll for Naval Receiving Station Cavite, Philippine Islands, dated September 1941 indicates that Chief Merten had reenlisted in the Navy in Cavite on December 5, 1929, and was received for duty on September 18, 1941, from Headquarters, 16th Naval District.

Chief Commissary Steward Merten was a prisoner of war held by the Japanese in World War II, at POW Camp #1, Cabanatuan, Nueva Province Luzon Philippines. He died on December 15, 1944, when the ship Oryoku Maru was sunk while transporting prisoners from Olongapo to San Fernando, Philippines. He was awarded the Purple Heart for his sacrifice.

A story in Wikipedia describes the events leading to the sinking. “Oryoku Maru left Manilla on December 13, 1944, with 1,620 prisoners of war (including 1,556 American, 50 British and Dutch, 7 Czech, 4 Norwegians and several other nationalities) packed in the holds, and 1,900 Japanese civilians and military personnel in the cabins. As she neared the naval base at Olongapo in Subic Bay, US Navy planes from USS Hornet attacked the unmarked ship, causing it to sink on December 15. About 270 died aboard ship. Some died from suffocation or dehydration. Others were killed in the attack, drowned or were shot while escaping the ship as it sank in Subic Bay where the 'Hell Ship Memorial' is located.”

Other sources indicate that the Oryoku Maru carried over 1,600 Allied prisoners of war (mostly Americans) who were survivors of the Bataan Death March and Corregidor. Unmarked as a POW transport, the ship was repeatedly bombed and strafed by U.S. aircraft, forcing the vessel to beach and ultimately sink.

He is memorialized on the Tablets of the Missing in the American Cemetery, Manilla, Philippines.

At the time of his death, his mother Mrs. Lena Merten was living in Baltimore, Maryland. His service number was 1425906.

FINANCIAL PLANNING - QUALIFIED CHARITABLE DEDUCTIONS

Key Points:

- Allows you to direct what happens to your assets and name who will serve in key roles for executing your wishes
- You need to be age 70 ½ or older
- Doesn't increase taxable income (up to \$111,000 for 2026)
- Can offset your required minimum distribution (RMD)
- Some assets pass outside your estate plan based on asset titling

Qualified Charitable Distributions

There are different ways to fund your charitable goals, and one to consider if you own a traditional IRA is a Qualified Charitable Distribution (QCD). A QCD allows you to donate assets directly from an IRA to a qualified charity.

Age Restriction: A QCD is available to IRA owners who are age 70 ½ or older.

Tax Benefits: You can exclude up to \$111,000 (per taxpayer in 2026, indexed annually to inflation) of QCDs from your taxable income each year, regardless of whether you itemize your income taxes.

RMD Offset: The distribution also counts toward the Required Minimum Distributions (RMDs) that are required by traditional IRAs beginning the year you turn age 73 (or age 75 if you were born in 1960 or after). You may not need to rely on spending the RMDs from your IRA. As you continue to reflect on your charitable goals and how much you choose to give, QCDs may be a tax-efficient planning strategy to take advantage of.

Additional considerations:

- QCDs are generally used with Traditional IRAs. Employer plans (like 401ks) aren't eligible, and Roth IRAs generally have tax-free distributions (and no RMDs), making QCDs less beneficial.
- The IRS doesn't allow QCDs to be contributed to donor-advised funds (DAFs).
- Deductible contributions to your IRA during or after the year you reach age 70½ will result in a dollar-for-dollar reduction in the tax deductibility of future QCDs.
